hope that the President may recover, but that at II o'clock he compiatored of a pricking sensation in the feet, which the physicians thought was an indication that the ball which entered at the back had touched ball which entered at the back had touched After the Shooting. the spinal marrow.

WHAT THE ASSASSIN SAID.

THE ARREST.

The assassin made no special attempt to bim and at once took him to police head-quarters. Mr. Garfield's son was with him at the time, and as his father fell be burst Kearney then seized the assassin. into a paroxysm of tears. Secretaries Medical Opinion as to the Wound.

Dr. Woodward, of the Surgeon-General's General James were all at the depôt at ice, says that he did not examine the President's wound, but Dr. Bliss and Dr. at the time, both with northern and southes gave bim the explanation of it. The President was shot from the right as he entered the ladies' reception-room of the derot with Secretary Blaine. The ball entered above the third rib, but whether it has taken its course toward the spine time of the first shot the assassin was not has not yet been ascertained. The wound over seven to eight feet from him. Mr. was proved by Dr. Bilss, who reports Garfield, when he fell, turned deathly pale, that in inserting the probe the course of and soon after he was carried up-stairs he the ball did not extend toward the spine. vomited. animous opinion of the physicians that what was needed for the President was not the probing of the wound, but rest.

ore can be told as to the seriousness of word having been sent in every direction the wound after the President has urinated for physicians, Dr. Townsend, the health- and had a movement of the bowels. It will officer, responded, and subsequently Dr. J. and had a movement of the bowels. It will be some hours yet, maybe a day, before it H. Baxter, of the army, Dr. Wells, of the and be definitely settled whether the wound bay, and Dr. D. W. Bilss responded. is or is no: mortal.

Removal of the President to the White House.

About 10 o'clock the police cleared the main room of the depôt building, and in a ments the wounded President was borne through the building and placed in an ambulance, which was in waiting on the outside. He bore the removal with great fortitude, never uttering any complaint or grean. The ambulance was surrounded is a British bull-dog 44 calibre five-shooter, by a cordon of police, and the horses and there were three loads remaining in it. were whipped into a gallop all the way The assassin Gitteau did not throw it away, to the White House. An excited crowd but had it in his hand when arrested. Colo White House the crowd was stopped and Perry, Colonel W. A. Cook, and Attorneyone but a select few admitted. At the General MacVeagh were early on the spot, depot the pressure for admittance to the and information was sought for anxiously. room in which the President was lying was so great that the police could not keep back the crowd. Men persisted that they must beadquarters and lynch the party, but about see the President, despite the surgeon's orders that the room and hallways must not be the President had been taken that the wound illed up. In this way the upper floor was filled to such an extent that fresh air could not be obtained for the wounded President, and it was determined to remove him imnediately to the White House, where he could be well cared for.

Orders to Arrest the Hackman. Colonel Corkhill and Mr. Cook, learning from Aquilla Barton the story about the engagement of the backman, Taylor, by the risoner, sent out word to have him arrested t once and brought in to see what he knows about the prisoner.

Gitteau Glad to Escape Lynching. Lieutenant Eckloff states that while at the police headquarters this morning the prioner seemed to fear a demonstration on him by the crowd, and that he felt relieved when he was locked up.

What Special-Officer Scott Says. Blar man: "I was standing at the gate. I beard two shots fired, and saw a man rush through the ladies' room. He started to go out of the Sixth-street door, when I seized him. Officer Kearney took hold of him on the other side at the same time. He day a single great the public mind that the same time. Scott, the special police officer at the other side at the same time. He did not struggle at all. He said to us: 'Arthur is President of the Halled States at Arthur is so influence the public mind that bloodshed would follow. President of the United States now. I am REMOVAL OF THE PRESIDENT TO THE WHITE a Stalwart. I have a letter here that will tell you all about it. I want you to take it up to General Sherman." Developments at Police Headquarters ordered out a large detail of the police ordered force, the police-ambulance was driven to

THE ASSASSIN'S PAPERS AND LETTERS. The assassin left two large packages of letters at the news stand in the depôt, which were sent down to headquarters after the excitement was over. Colonel Corkhill and Mr. W. A. Cook were sent for, and an examination of them was at once commenced, WHAT THE HACKMAN ENGAGED BY GITTEAU SAYS.

A colored backman named Aquilla Barton came to headquarters and said this man had engaged bim to take him to the cemetery, asking him if be had a fast pair of borses. This engagement was made about fifteen minutes before the shooting took place. He was to pay him \$2. Barton states that this man was a stranger to him, having never before seen him; also, that he stated that he had engaged a colored backman named Taylor last night to be at the railroad derôt this morning at 9 o'clock to take him to the cemetery (what cemetery does not appear), and that Taylor had not appeared.

WHAT THE PRISONER SAID ON HIS WAY TO JAIL. Lieutenent Eckloff, who rode to full with Gitteau, states that on the way down he conversed freely about the matter, saying that his only purpose was to unite the Re- HE HAS BEEN AN ALMOST DAILY VISITOR AT publican party.
